

essential for geotechnical professionals

Announcing
Pre-Conference Plaxis Workshop

8th and 9th March 2017 @ NIT Trichy

Organized by
Ram Caddsys
In association with

NIT Trichy & IGC Trichy Chapter

The use of PLAXIS in geotechnical engineering is now more widespread in India and Asia both in industry and research. PLAXIS simulations are routinely used to provide a clearer view of almost all of engineering problems related to geotechnical engineering. This workshop aims to teach the attendees the use of both Plaxis 2D and 3D and understand how to create realistic numerical models to provide with accurate results.

Who Should Attend?

This seminar will be of interest to the students and professionals who want to learn Plaxis 2D and 3D.

Venue

Octagon Computer Center, National Institute of Technology, Tiruchirapalli – 620015.

Workshop Fee

₹4000 for students and ₹7500 for professionals

Details required for Registration

Maximum number of registration is 50 out of which 25 will be accommodated for student registrations and rest for professionals. Registration will be done on first come basis. Please send the following details to info@ramcadds.in to confirm the registration.

Name:

Designation:

Organisation/University/College:

Address:

Ph:
