

**PLAXIS**

*essential for geotechnical professionals*

## **PLAXIS USER'S MEETING 2017**

10 May 2017, Crowne Plaza, New Delhi

Organised by

**PLAXIS ASIA PAC & RAM CADDSYS**

*Plaxis User Meeting is a Platform for knowledge sharing and it provides an opportunity to strengthen the interaction between developers & Plaxis Users. The meeting will feature selected talks from Geotechnical engineers and practitioners.* The User Meeting is a great chance to catch up with innovation in Finite Element Modelling with Plaxis. The users are provided with an opportunity to share their work experience on PLAXIS. Interested participants can inform us along with registration details.

In addition, a title, authors name & abstract (max 300 words) should be sent to [info@ramcadds.in](mailto:info@ramcadds.in)

### Who should attend?

Geotechnical and Civil Engineers who are involved in advanced analysis and design of geotechnical works and underground space. This seminar is also relevant for new users and are considering the features, methods and solutions.

### Date & Time

10 May 2017, 9.30 AM to 5.0PM.

### Venue

Crowne Plaza, New Delhi
