Change for better

RAM CADDSYS

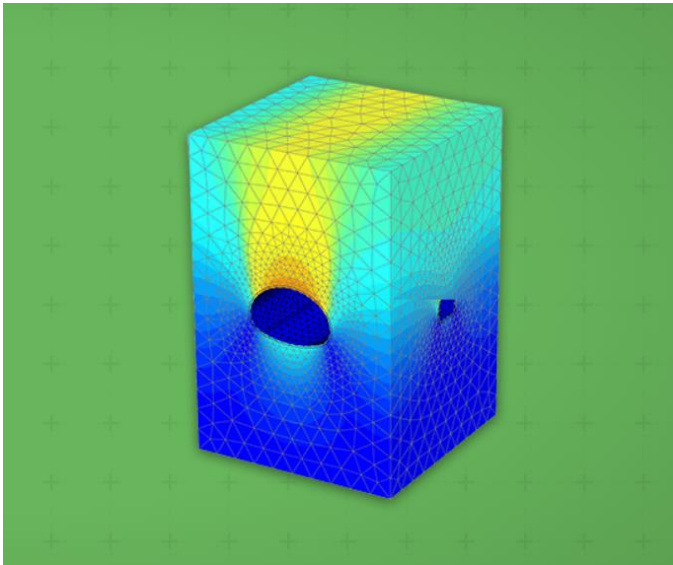

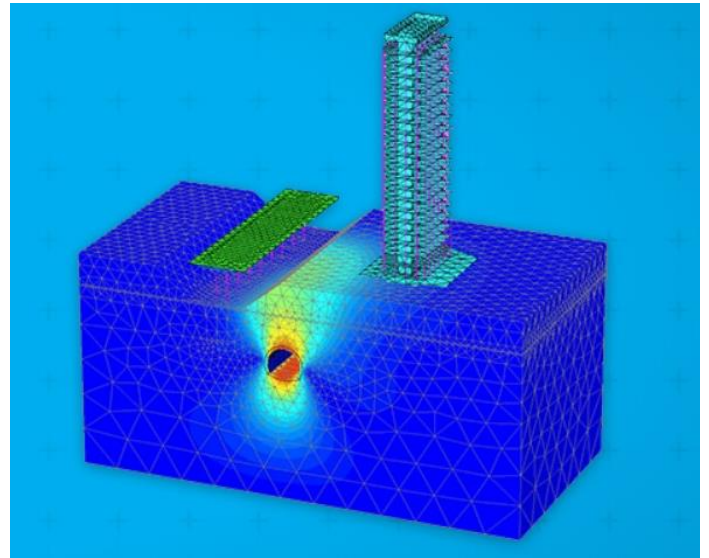

Plaxis User Meeting is an annual opportunity to strengthen the interaction between the developer and PLAXIS user community. The meeting will feature selected talks from Geotechnical engineers and practitioners.

The User Meeting is a great chance to catch up with innovation in Finite Element Modelling with Plaxis. The users are provided with an opportunity to share their work experience on PLAXIS. Interested participants can inform us along with registration details.

In addition, a title, authors name & abstract (max 300 words) should be sent to info@ramcadds.in
